Acquisition of Land -

J.B.

J.B. said, "The land was delinquent and Frank Isezaki redeemed it (G. So of original owner Hilario Malijan). Isezaki had the receipt of redemption. /J.B. went to his room and got all the papers on land including maps, receipts of tax payments/. J.B. asked me to look into land management and find out if the record shows that Isezaki redeemed the land. J.B. believes that ones you redeem the land it automatically belongs to you.
