Land belonged to Antonio who married Anastasia in 1912. Antonio died and no action until 1962 when through the court land distr. to Anastasia (dec. wife). No action until the present time. Exception made for L.191 (265 sm.) which went to oldest son Jesus who sold it later on. This was the housite for Jesus' parents.

Lot 9 bartered by Anastasia to Luis A. Quiata for a carabao. Luis related to Anastasia's husband. (This occurred after '62 distrib.) I think Luis' F. claimed the land before Antonio (Anastasia's husband).

7. PLANNING DURING SPANISH TIME

during Sp. times - Framework derived from legislat. set in "L. de Indias".
Concept of town, well layout area w/ plaza & well lined streets - transferred from Spain → N.W. → Guam.
w/ certain modifications - point of departure other than intl. environment though it was considered & solutions adapted to it.

Durante la colonización española bajo la agricultura local y estaba influida por la legislación de las Indias.
Concepto de pueblo bien planificado con plaza y calles bien trazadas se trasladó a España al Nuevo Mundo → y a Guam. Con algunas modificaciones ese fue el punto de partida. El entorno era diferente y se buscaron adaptaciones.
