"Since Herbert left Hector Mandino is renting the store for \$250.00 a month. I think it is too much money. Most of the people in Ginahit (except us) are buying at the commissary. The only thing they can make money in is candy and drinks. My brother in-law/?/ is the one who owns the store and they are not staying in Umatac."

"Alber caught two turtles last week and gave them to the people in Merizo. Then I sent two more with Ben to my antie in the States." I have been told that people in Guam appreciate turtle meat very much; kind of a delicacy. Someone wanted to buy one from Enrique Santiago for \$75.00 but he did not want to sell it because he can get more by selling it lb. by lb. /This later information was given to me by Tita./
